2. Tenders should be submitted in the form given below showing the rate per mile at which the lines will be cleared and the debris burnt.

3. Each tender must be accompanied by a deposit of Rs. 50 in Government currency notes as earnest money and must be sealed and superscribed "Tender for the Annual Clearing of the Demarcation Lines of the Forests in Tumkur Division," failing which it will be rejected.

4. 6. The earnest money of the successful tenderers will be retained as security for the due fulfilment of the conditions of the agreement and returned after the termination of the period of contract and that of others returned after the results of the tenders are announced.

7. The tenderer must quote rates per mile for each Forest separately for clearing and for burning.

Further Conditions.

(*a*) The standard width of all the demarcation lines is generally 66 feet unless otherwise stated and of the enclosures 33 feet. This width should be maintained and any deviation guarded against by clearing 10 feet guide lines on either side of the line leaving an intervening space of 46 feet. All grass and regrowth must be cut level with the ground and the debris removed and heaped in the middle of the line. The guide lines must not be burnt but cleared of all inflammable materials by sweeping. The space between the two guide lines must be cleared and burnt under the supervision of the Local Range Officer.

He will be held responsible for all acts of himself and his men against the rules of the Department. The security furnished by him is liable to be forfeited in whole or in part, as the case may be, for the breach of any of the conditions of agreement or acts committed in contravention of the rules besides taking action departmentally.

(*d*) Payment will be made only on bills passed by the Range Officer and the Sub-Division Officer after the full length of each Forest is operated as per rules and no advances will be given for the work.
